

Grade 2

When entering this grade in September, it will be important for your child to arrive equipped with certain skills/knowledge. In particular, it will be very important for your child to meet standards in the following specific subject areas:

English:

- Student should be able to read and spell simple words and sentences

Math

- Please click on the below placement test to check if student has mastered the previous materials:
https://cdn.shopify.com/s/files/1/0603/7487/6349/files/Placement_Tests_4.pdf?v=1635781030
- If your child does poorly on the test, he or she needs more practice of these concepts in order to be ready for September. Please see the next page for resources we recommend to help your child catch up to grade level.

Punjabi

- It will be very helpful if student is able to read Punjabi. Contact us for information on free Punjabi classes.
